Our New Image

A new image is what our school has deserved. We have turned our school around and made it into something of the future. We are really trying and going to improve our school and its image. We are starting to come out of the "old western" and in to the "new".

Western has really been striving to be so much more than the best. We want more than that, and we won't stop until we get it.

We've come out better in all areas. We have a new image that will keep on growing! Our sports, our new look, and in all we do have a new image.

Fads Fade, Styles Wither.

Every year the styles and fads change, and everybody wants to be something different than they were the year before.

But what we have accomplished throughout the year will never change. We started out the year with work having been done on the school. It had a beautiful paint job, and was also being relandscaped.

A new painted school and a whole different scenery is the "New Image" we have accomplished throughout the year. This "New Image" will stand here as long as the school does. For what we have upon this school ground is the commitment of love we have shown for Western.

Looking at Reflections for a New Image

Looking at yourself you always strive to be something better than you were before, and to be the best by improving ourselves to fit into the New Image that we want ourselves to be.

Finding a New Image is like being a whole new person, and that is just what we are, a whole new us. We have strived to be something special and new we are a New Image.

The year of eighty-three has turned our school around. We are exciting and different and it shows the pride we have for our school. The New Image has made us more confident about our school. We have proved the Western's New Image was formed by the pride and joy for the love of our school.

Bright blue and white balloons adorned the hands and belt loops of many spirited Pioneers during homecoming week. Happy faces were seen all over our campus, and a feeling of excitement was in the air. At the coronation on October 14, our queen was crowned. Homecoming Game Won with Pride

The homecoming game in which the Western Pioneers played against the Valencia Tigers was one of great suspense. Half-back Bob Trudeau's massive drive and center Chris Chases quick reactions helped the Pioneers defeat the Valencia Tigers with a score of 15 to 7. The game was just a taste of what was yet to come.

Pioneer Spirit Shines Through

The Pioneer spirit has been carried through all the long and hard earned accomplishments of this school. The meaning of spirit is not just jumping up and down and screaming "Western Pioneers" but it is the feeling of exhiliration when we think of our school.

The spirit shines through the students, with compassion for their fellow students. Those who have spirit really feel love for school. And then there are some who don't, but then they learn to know the truth, and the truth is that Western Pioneers have felt and known the spirit for all their years, and it will never die even in the years to come.

1. Angie Frias says, "Look at my monkey."
2. Tracy Aaron says, "Take 2 aspirins and call me in the morning."

"THE IMPOSSIBLE YEARS"

"The Impossible Years" is a humorous view of parents attempting to deal with their growing teenagers. The parents ability to handle their two daughters is in some doubt, even though the father is a psychiatrist, and is in the midst of writing a "How-To" book on coping with teenagers. He never seems to get much written, however due to the fact that the two daughters are constantly underfoot, with boyfriends in tow.

The show was a very big success and drew a large crowd. The time, hard work, and effort was highly appreciated and well worth it.

Up Where We Belong

The formal was held at the Costa Mesa Country Club. Couples danced to music played by a disc jockey, or went out on the balcony to get a breath of fresh air, or they just sat and talked. The theme "Up Where We Belong", was truly where we belong.

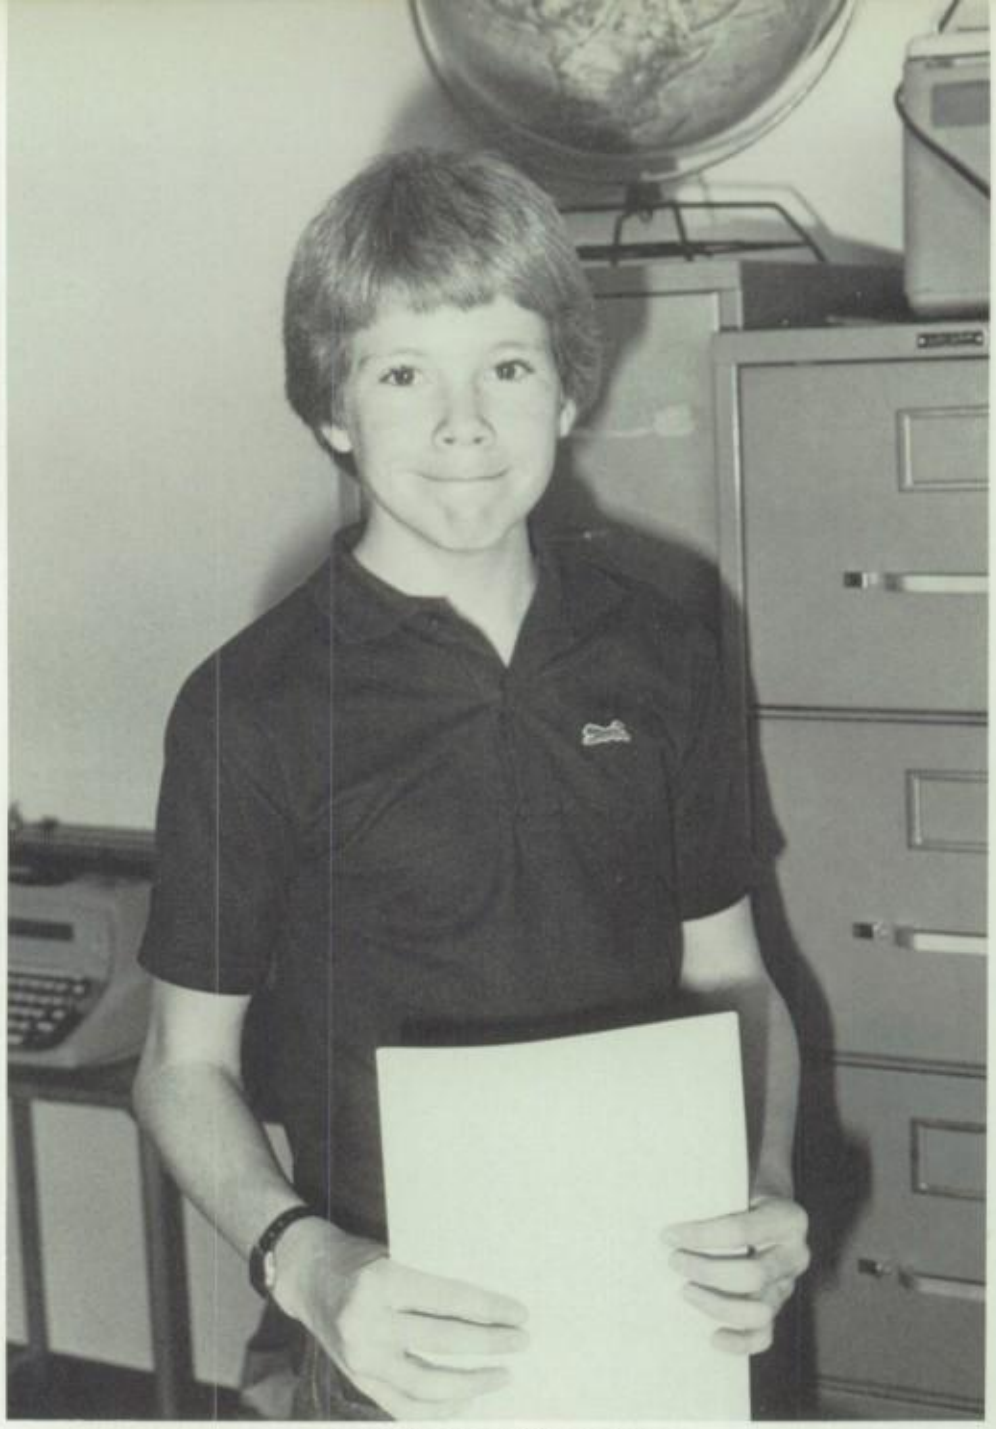
Campus Life

Students at Western High School enjoy campus life. This was proven in classrooms by their enthusiastic participation and around campus by the many bright smiles and the happy laughter. For alot of us, this school year went by fast. But we will never forget all the good times we've had together at Western High.

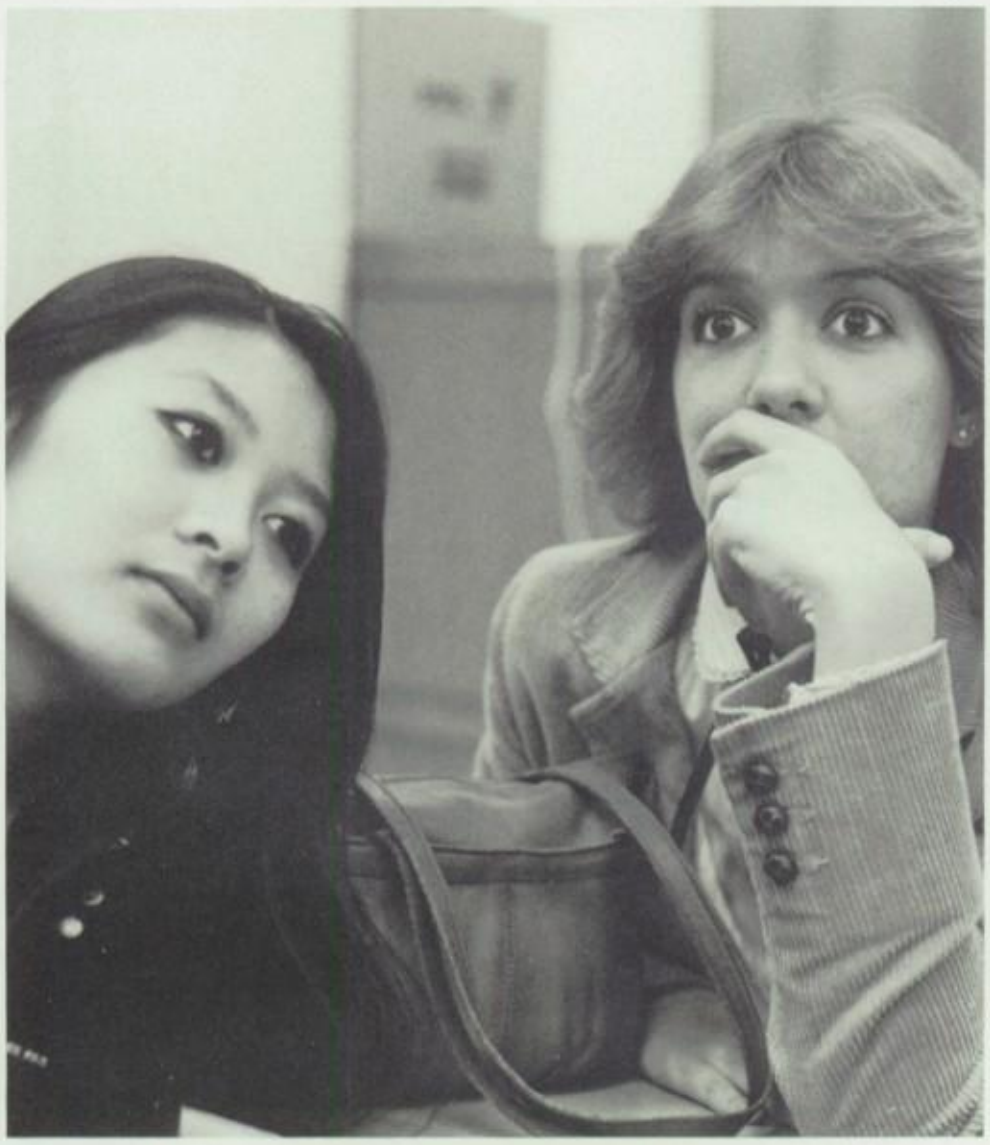


Donny Roe hides something.

Brad Wells grins at a private joke.

Corina Sanchez, Teresa Ortiz, Tina Presutto, Patty Correa, Carmen Ortiz enjoy a day in the rain.

Mrs. Woodell shares a joke with Donny Roe and Cassy Higbee.



Jana Nakata and Wendy Cowick have just met the love of their life.

2. "The tides are high," says Troy Myer.

Senior Girls dominated Junior Girls

This year we had the traditional Girls Powder-Puff Football Game. The Seniors beat the Juniors with a score of 14 to 0. The Seniors had fine coaching from Jon Heiman, Ed Ortiz, Bob Velasquez, and Bob Timar. The Juniors coaches were Joe Belsito, Jeff Wilke, Jay Skiles, Brian Miller, and Glen Schaefer. The Referees were Coach Pegg, Coach Juarez, and Coach Pascal, Thanks for all of the hard work.

The Juniors tackled their opponents.

Jackie Jarrett thinks about making a touchdown and a 2 point conversion.

Tackle that Junior.

MEN AT WORK

Our year started out to be a pretty dusty season. The school was being relandscaped, and we were caught walking through the dirt. We thought we would never see cement again. It was a hard time, but in the end it was worth it. The cement was finally put in and the students rejoiced in the accomplishment. The New Image of our school is just the beginning of many more accomplishments to add to our motto, "With Pioneer spirit, anything can be accomplished!" Now we are proud to say that we go to Western, the home of the Pioneers.

1

1. No more trashcans in Lake Western.
2. The workers clean up the campus before they start to do their work.
3. This shirt displays it all.

5. All work is at a halt, while construction crew takes time out from working on Western's future, front driveway.

The Bell Is Back

For the past nine years Western High School has not been able to recapture the Victory Bell from Anaheim High School. This year the 1982-83 Western Varsity Football Team beat Anaheim by a score of 25 to 14 and reclaimed the Victory Bell. The Victory Bell was donated to Western and Anaheim back in 1961 by the Santa Fe Railroad Company. The Bell was originally off an old Steam Engine. Now we've got the Victory Bell in all it's shining glory.

Disappointing Season for Freshmen

The 1982-83 Freshman Basketball team was composed of very determined and hard working players. The team playing without a true center and outstanding scorer refused to give up, regardless of the situation. The season started slowly as they were 5-0 before defeating Loara twice in three days. A fourth place finish in the Loara Tournament and a victory over Buena Park sent the Pioneers into league, poised for action. After defeating Magnolia in the opener, the Pioneers played their finest game to date only to fall to defeat at Anaheim in overtime. As the year came to a close, coach Pascal stated: "We may not win the league, but no one hustled and played their hearts out as much as this team did."

Track is off on a good running start

The 1983 season started slowly for the boys as many newcomers had to fill spots vacated by graduation, especially in the distance events. Opening losses to Gahr and Los Alamitos did show our strength in the field events. This is potential for a successful league season if the newcomers and veterans round into shape.

The girls opened their season with smashing victories over Gahr and Los Alamitos. The 1982 team had their best record ever and the '83 edition promises to be even better with returning CIF placers Lori Olsen and Melody Ryan leading the way.

Hard Work Pays Off

The Varsity Softball team started the 1983 season with three returning starters from last season. With excellent leadership and a young team the season started with a lot of work to be done. Hard work and team camaraderie was stressed in practice, and with every game played they showed improvement. The team measured up to Western's Motto "With Pioneer Spirit Anything can be Accomplished." With a few breaks and a little luck it looks like they should be CIF bound again this year. Seniors on the team this year are Kacey Pope, Yvonne Solis, and Becky Olivas. The team was coached by Ms. Owline Gregory.

Biggest Swim Team Best Times

This year's swim team had tremendous possibilities of making it to CIF. We could only predict this, due to early spring delivery of the yearbook.

The Pioneer swim team was great in numbers. It was said to be the biggest team Western has had in some time.

The swimmers had early morning practices and also practiced before each swim meet. All of their conditioning paid off though, because it was shown to us by the good times that they scored. The scores tied or beat last year's scores.

The senior swimmers this year were Moussa Sabbara, Jerry Blackburn, and Curt Montgomery.

1. Andre Fiola takes the plunge to place first.
2. Moussa Sabbarra strives to be number one.
3. Jerry Blackburn demonstrates the breast stroke.
4. A demanding practice takes place before a demanding game.

Young Varsity Team Swims for Title

The young varsity girls' swim team swam into their season undefeated in pre-season games.

The team consisted of freshmen, sophomores, and juniors, but no seniors.

The girls were striving to gain big titles. They definitely had the team for it. The girls were making good times and putting full effort into each meet.

Unfortunately, because of early spring delivery, we couldn't get the swim team's results. The team surely did look promising though.

1. Cassy Higbee gives it everything she has.
2. Coleen Kreiger jumps at the chance to be first.
3. Coach Adriana Vanderlit demonstrates how it is done.

Back row — Coach Senglaub, Glen Anderson, Kevin Hartter, Hank Longmeyer, Ray McMannis, John Thatcher, Coach Weiss. Front row — Mike Aguliar, Eric Dieterman, Robert Hofstott, Steve Alforo, Eric Moody. Missing — William James Fout.

The frosh-soph swim team looked in good condition this year. Most of the swimmers were already varsity material.

Some record breaking times have been achieved this year. When the team worked together at full capacity, they were hard to beat.

We can look forward to seeing all the players next year because of the young team we had this year. All of the players have a future in swimming here at Western.

1. Caught in a mid-dive, John Thatcher anticipates the force of the water's surface.
2. Dedicated Coach Senglaub and Coach Weiss conduct a practice session.
3. . . . and he's off to a terrific start.

A Year in Sports

Awesome, Excitement, Winning, these are just a few of the great expressions we heard about our teams. But also tolerance, patience and even sometimes defeat were echoed words that some of our Pioneers had to deal with. Through the year the Western Pioneers have shown us all that there was more spirit and ambition in our sports than ever before. A pattern was beginning to develop for Pioneer athletics of the 82-83 season. A winning reputation started to emerge. Many of our teams brought trophies and glory to our school. It was in a word, "Awesome"!

1. The 1983 CIF Wrestling Champions!
2. Chris Chase takes a snap.
3. Mickey Kadowaki puts the moves on Anaheim.
4. Michelle Henderson throws a strike.
5. Samir Sabboara gives it his all.
6. Lori Brown skies over a Valencia opponent.

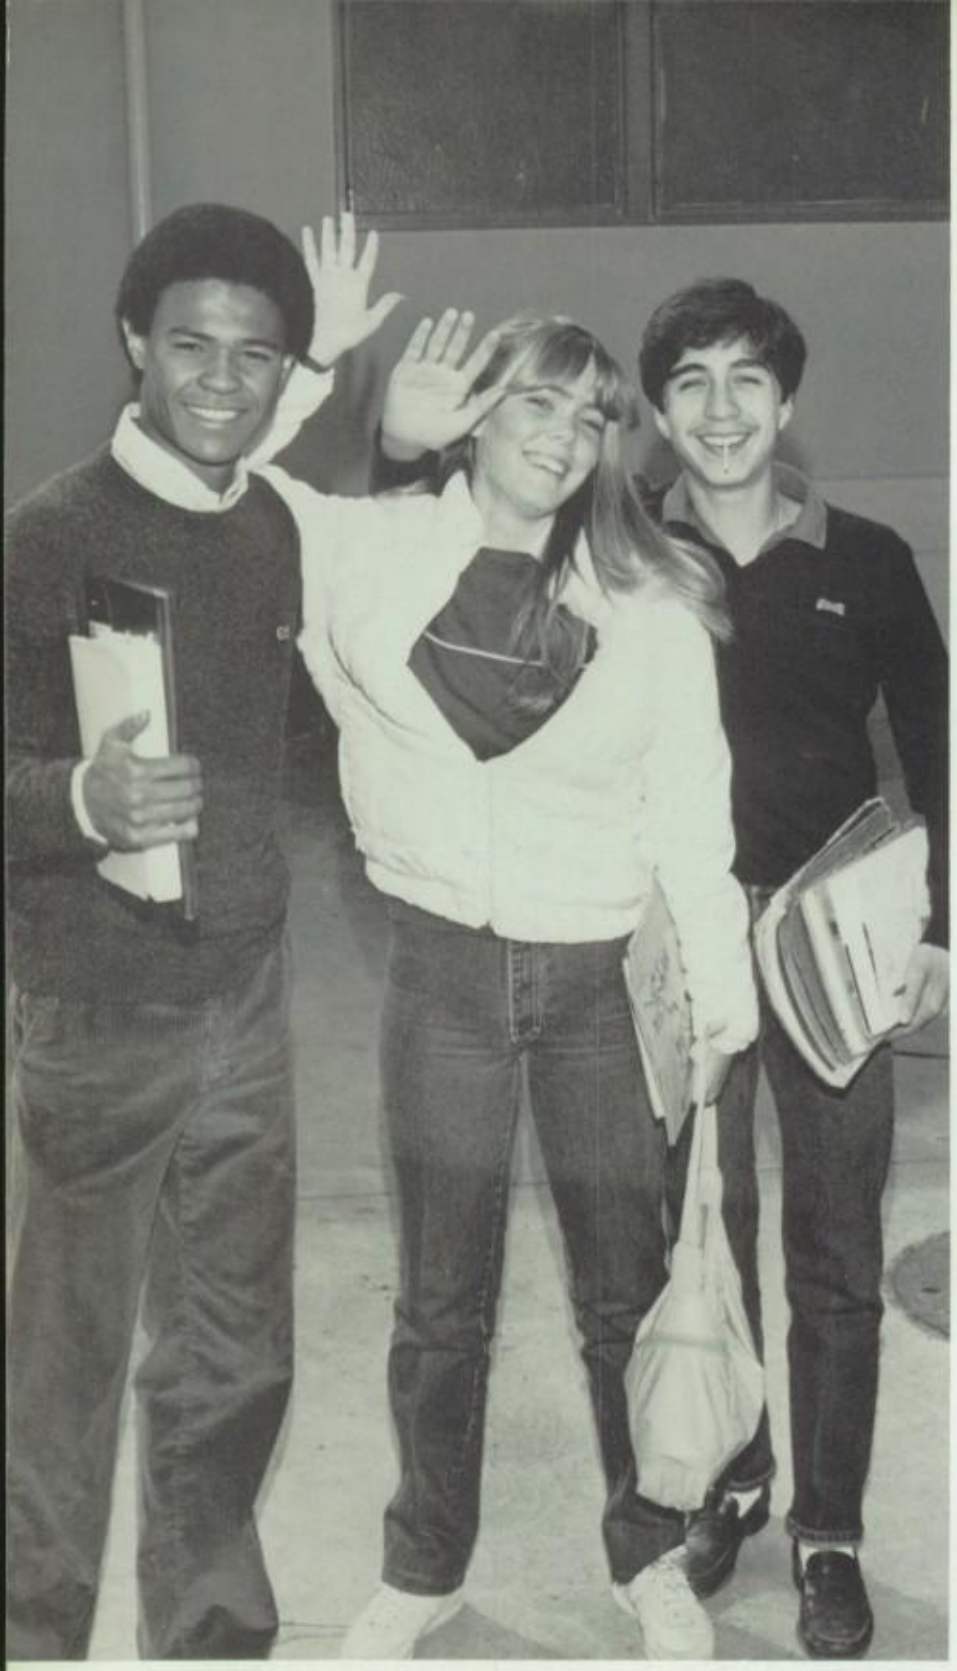
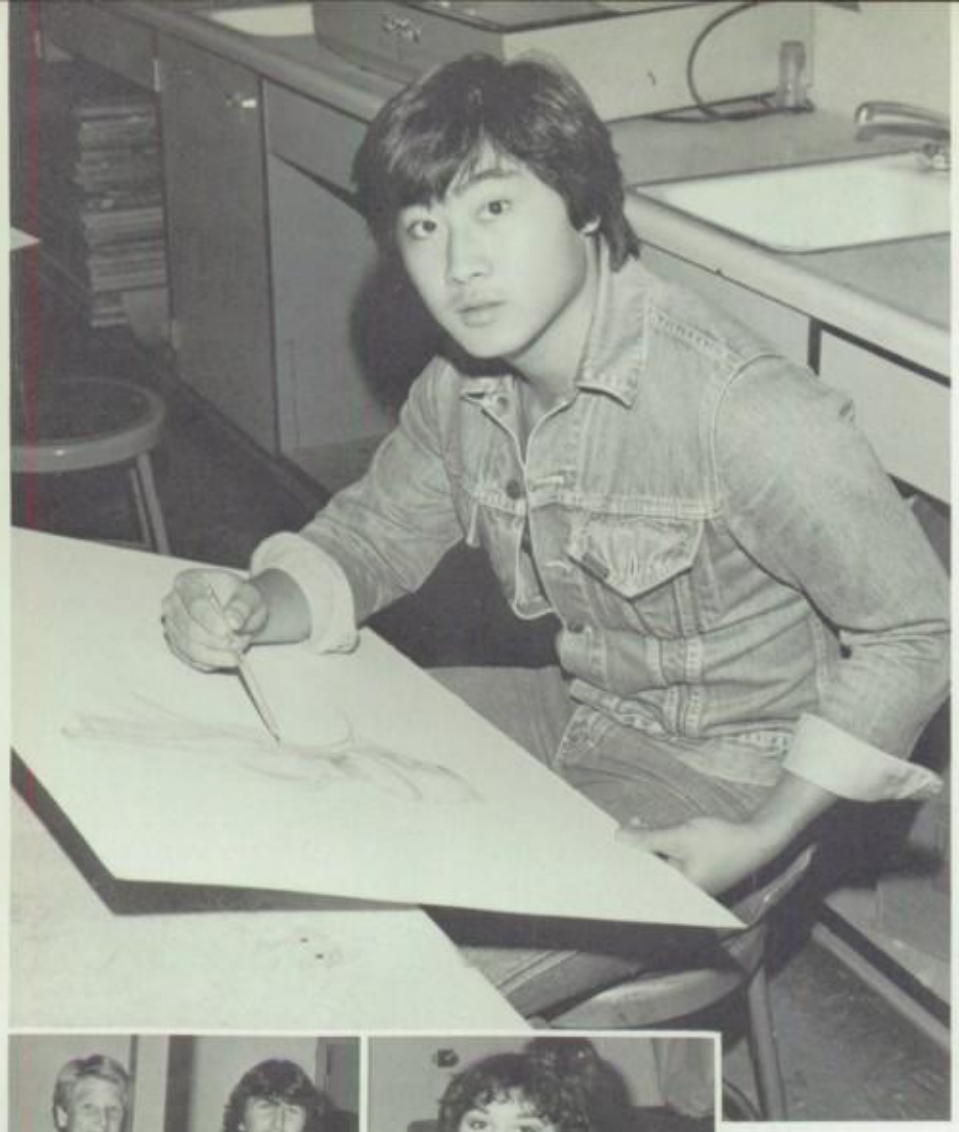
One Last Look





Our New Image Came Through

Through the past year Western has begun to achieve its new image. Returning in September students found that the inside and outside of all buildings had been repainted. Also groundbreaking was begun on relandscaping the grounds. We received a new sign "Western High School." Besides having our exterior images improve, our athletic teams showed an awesome new image placing many of them in CIF. Thanks to our football players the Victory Bell now rings in its proper place. Winning teams produce enthusiastic fans, thus Western's spirit soared. Assertive Discipline turned out to be less oppressive than anticipated; as a result, academic interest was manifest in all subjects. **Our New Image proves** that **"With Pioneer Spirit Anything Can Be Accomplished."**

We started off this year without a yearbook teacher and with an inexperienced staff but as time went on with the help of Mr. Milne and our new advisor, Mrs. Leonard, we managed to get it rolling along. As the first deadline rolled along we thought it came very fast. But as time went on our inexperienced staff became skilled. I want to especially thank Donna Uyehara, Lisa Winchester, Darcy Barker, Julie Cady, and Ginger Chancellor for all of their help and the rest of the staff because we couldn't have done it without them! I also want to thank Debbie Emerson and Maura Bagdasarian for typing long after hours; Debi Boyd for writing copy in a moment's notice; Tong Park and Thuy Luu for their fine artwork; Debby Halsted, Rhonda Hodge, Corina Sanchez, Petty Moore, and Renee' Dobranich for their help; Rafe Williams and A.S.B. for their fine photos. Thanks to the teachers and coaches for their help and patience, and a special thanks to Albert and James for providing all our photographic needs, and Thank You Dad for being there to help and listen.

Leslie Kruger

As one of your co-editors, I would like to thank you all for taking the time to read this, "your class yearbook." There have been a lot of changes on Western's campus and, this year we have tried to depict them all. A book of this caliber does not require the work of one but is the end result of the **whole** yearbook staff. Thank you all **Lisa Winchester, Donna Uyehara, Jana Sanders, Laura Phillips, Darrin Cummins, Ginger Chancellor, Julie Cady,** and **Darcy Barker** for your diligent effort throughout the year. To **John Dourson** (our great photographer) thanks also for your great workmenship with the camera. Topping the list I would like to thank **Leslie Kruger,** my co-editor, whose undevoted dedication and feminine touch added a great deal to this yearbook. **Mrs. Leonard,** this special thanks cannot say how much we appreciate your being here. If it were not for you, we would not be reading this yearbook. Your words of wisdom and encouragement kept us going throughout this year. Your husband **Alan Leonard** with his helpful hints on yearbook designing were greatly needed. **Mr. Christian,** Thank you for letting me use your photography darkroom throughout the year to help us meet our photo deadlines. This year has been one which we all will not forget for a long time. Things have changed all around us. This is our last year **"Class of '83."** We have seen many things come and go, all of us have, but now school is behind us and we make of ourselves as we want. Thank you the students for letting us, the yearbook staff, capture the true blue and white of Western High.
